

Pool Update
May 15, 2023

12 days until we open our beautiful new outdoor pool!!

Pool progress

Our outdoor pool is full and Burelson will introduce chemicals beginning Tuesday. They are confident the pool will be properly balanced within 7 days. At that point they will train our staff on how to ensure we stay within acceptable parameters.

Next week the ladders will be put in place and a lift for those needing special assistance getting in and out of the pool will be installed.

Area outside of the pool progress

The last section of decking to be poured will be formed tomorrow.

The holes for the light poles have been dug and wired for electricity.

Both of the above items will have concrete poured in the next week.

The final section of fencing will be completed this week including the installation of two self-closing latching gates.

The pergola will be put in place next week.

All new lounge chairs and side tables have been purchased. Picnic tables, high-topper tables, tables & chairs with six umbrellas are also ready for placement for our Grand Opening.

A Grand Opening event will be held on Saturday May 27 at 9:00 a.m. Please come join us for a Group Plunge to 'christen' the pool followed by a day of events, games, door prizes, and giveaways. Two bounce houses will be just outside the pool fence for the young and young at heart.
